6.0	<u>Reports</u>	
6.1	<p>SEC Liaison</p> <p>Jessica Little described two programs offered in addition to programs at local school districts: County office runs regionalized services and two programs; SH and Autism SCCHS runs K to High School ED programs. The IEP team decides whether these are appropriate placements and or services depending on the student's disability. Generally students are placed here when home districts cannot offer appropriate placements within their LEA.</p>	
7.0	<u>Discussion Items</u>	
7.1	<p>Parent Handbook</p> <p>This summer the subcommittee met to create a parent handbook. The committee is currently working on a parent friendly guide where they can keep all important documents, resources and contacts. Once completed it will be available electronically, and posted on the SELPA website. There will also be one hard copy available at each Special Education Department.</p>	
7.2	<p>Review Subcommittees</p> <p>Paris would like to see relationships with staff that is essentially more formalized, so CAC can provide feedback to Districts.</p>	
7.3	<p>Other/Future Agenda Items?</p> <p>Resource Fair/Art Competition Legislative Day Recognition Award Ceremony Parent Workshops Marketing/Facebook</p> <p>Would like to look more deeply into what the subcommittee's rolls are.</p> <p>Recruit for Art (visual/musical) Recruit for Vendors Solicit donations</p> <p>Collecting nominations all year long. Yvette will email out nomination form again to CAC, Special Ed Directors and Superintendents. Decide on Art Theme.</p>
