**5.0 INTERDISTRICT TRANSFER APPEAL HEARING**

The Board held an Interdistrict Transfer Appeal Hearing concerning a student who lives in the Scotts Valley Unified School District and requested to attend school in the San Lorenzo Valley Unified School District. The San Lorenzo Valley Unified School District denied the Interdistrict Transfer Request because of limited district resources, overcrowding at the school or in relevant grade levels, and/or impaction in special education programs. Both the family of the child and the District presented their case before the Board.

**6.0 BOARD ACTION**

It was M.S.C. (Sales/Nichols) to deny the appeal and affirm the denial of the Request for Interdistrict Attendance Permit to transfer to the San Lorenzo Valley Unified School District; however, the District was instructed (per an offer presented by the District) to place the student on the District's weight list if a space for the student were to become available.
