**Subject: Career Advancement Charter  
School Charter Revision**

Education Code 47605(4) provides that after receiving approval of its petition, a charter school that proposes to establish operations at one or more additional sites shall request a material revision to its charter and shall notify the authority that granted its charter of those additional locations. The authority that granted its charter shall consider whether to approve those additional locations at an open, public meeting. If the additional locations are approved, there shall be a material revision to the charter school's charter. Education Code 47607(a)(1) provides that a material revision of the provisions of a charter petition may be made only with the approval of the authority that granted the charter.

Education Code 47607(a)(1)(2) states that material revisions of charters are governed by the standards and criteria in Section 47605, and shall include, but not be limited to, a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed.
